

Dietary Requirements

Should you have any special dietary requirements, allergies or food intolerances, please make your server aware before placing your order. A comprehensive allergen chart is available upon request.

Waiting Times

Whilst we aim to get your food to you in the minimum amount of time, our food is prepared to order. We serve homemade food not 'fast food', therefore, if you are in a hurry please let your server know before ordering so they may provide you with an estimated waiting time. Please bear this in mind, particularly when we have a full garden or restaurant. Thank you.
